Children's Mental Health & Wellbeing

Our website has recently been updated to include resources from 'Place2Be' which has advice for parents covering topics such as friendship issues, social media issues, preparing for secondary school, gender and many more. They are practical tips to support parents with children's wellbeing and behaviour. They are short e.g. 5 mins reading and a video clip of 2 mins depending on the topic. This resource and more advice can be found by clicking [here](#).

Thank you for all the donations that have been brought in so far. **Tinned food, toothbrushes, soap and toilet paper are currently in high demand.**
