Plan For Whole School Return in September

Please find our detailed plan at the link below for all the children to return to school in September.

https://www.aughtonchristchurch.lancs.sch.uk/serve_file/739384

Attendance at school will return to normal. In line with Government guidance, it is expected that all children attend. Any parents who have concerns about children attending school for a medical reason should contact school as soon as possible. **The start date for the Autumn term has now been moved to Thursday 3rd September** to allow an additional INSET day for staff to prepare for the whole school opening. This has been agreed with school Governors.

Please familiarise yourselves with your child's pick up/drop off times and zones. Siblings can be collected from school together as they are living in the same house. Again parents should choose the later time to ensure their child has full time with their class.

Parents are continued to be asked to email in concerns so school can continue to answer concerns and add clarification to any issues. **Please email into: bursar@aughtonchrstchurch.lancs.sch.uk**

Thankyou

I'm writing to all of our families on the final day of term to say thank you.

On behalf of the whole school staff and from myself personally I'd like thank you all for your kindness, supportive letters and comments and all the encouragement and well wishes that people have sent into school over the last week of term.

Also I'd like to sincerely thank everyone for all your support and encouragement during the last 5 months which really have been unprecedented times for us all.

My final thank you is for allowing us the privilege of working with your amazing children. I am looking forward to seeing them all back safely in September and I will be writing to you all again before the start of term to confirm arrangements.

I'd like to wish our Year 6 children well as they've leave primary school. They have made incredible contributions to our school and we know they will continue to thrive as they take their next steps in life. Our thoughts and prayers are with them all and their families.

Finally, I'd like to wish you all a very *peaceful* summer, wherever that may be. I hope everyone manages to find some opportunity to rest in these incredibly challenging times.
