

JAMAL

EDUKID

# Hi, my name is Jamal!

I am 17 years old, my favourite food is eggs and I love the colour blue. My favourite thing to do is play football with my best friends Phillip and Joel.

My favourite subject at school is biology.  
In the future I want to be a doctor  
so that I can treat the sick.

I want to say to my supporters,  
thank you for supporting me and my family!
