

REBECCA

EDUKID

# Hi, my name is Rebecca!

I am 13 years old, my favourite food are vegetables and I love the colour red. My favourite thing to do is play netball with my best friends Farida and Prisca.

My favourite subject at school is english.  
In the future I want to be a teacher  
so that I can teach other students.

I want to say to my supporters  
thank you for supporting my school fees!
